MOVING OFFICES OF DR. HARROWER'S LABORATORY

While $47,000 Building Still Is Incomplete, Big Force Finds It Convenient

This is moving day at the Harrower Laboratory!

That is, it is one of a number of moving days. The executive department is being transferred this week, piece by piece, from its present location over the Glendale avenue branch of the Los Angeles Trust and Savings Bank into its new quarters in an especially constructed administration building. Some of the offices are already occupied, but the work of moving will not be completed until the end of the week.

The new building faces Broadway and adjoins the new manufacturing building. The permit called for an expenditure of $47,000. Whether this will be exceeded or not is unknown as many bills are still out. It was stated that the value would be at least $40,000.

Much To Be Done

Although the building is being occupied, it will not be completed for about a month as many finishing touches have yet to be made. The handsome lobby at the entrance is not completely ornamented, the electric light fixtures and locks have not been installed, and the cement sills must be formed. As soon as possible the exterior of the building will be washed with acid to remove any stains. It will then be necessary to repaint the window screens and give the exterior wood trimmings a general reburnishing.

The building is of red brick and two stories in height. It is set back about twenty-five feet from Broadway. A cement driveway to the entrance has been laid already and attractive shrubbery will be planted in front of the structure. Next spring there will be a well-kept lawn there, also. The grounds will be a decided asset to the east side of the city.

The plans for the building were prepared by L. M. Hodge of San Fernando. He also designed the Glendale Sanitarium hospital unit. Clarence Erickson, who built the Harrower laboratory and Dr. Harrower's new residence on East Broadway, has been on the job constantly. The original plans have been adhered to closely.

Officers Are Cheerful

The private office of Dr. H. R. Harrower will be located in a corner room facing Broadway and Belmont street. Like all the other rooms in the building this office will be exceptionally light and cheerful. It will be handsomely furnished. A large library occupies the remainder

Kind Act Costs Him $25 But He Admits It Is Worth Money

E. F. Sanders, assistant secretary of the Chamber of Commerce, is responsible for the following story, which he terms as being the meanest trick he ever played on a man:

Several weeks ago the jovial Chamber of Commerce representative was leaving the office at 115 West Broadway when he hailed a passing automobilist, explaining that he had left his machine in the garage that morning. The good-natured motorist obligingly admitted Mr. Sanders and, upon reaching his home on Doran street, insisted that he take Mr. Sanders to his residence on Fairview avenue.

As the ever alert Mr. Sanders alighted from his "good samaritan's" machine he casually inquired:

"Are you a member of the Glendale Chamber of Commerce?"

Upon receiving a negative answer he proceeded to elaborate on the advantages of being a member of the chamber until H. R. Bowers, of the Glendale Hardwood Flooring company, had been induced to sign the dotted line.

Although the big-hearted citizen's kind act cost him $25 he states that it is worth twice that amount to be in the local Chamber of Commerce.

MRS. C. R. NORTON IS BACK

Mrs. C. R. Norton of 801 East Wilson avenue returned to her home Monday night from Glendora, where she was the three days' guest of her sister, Mrs. Fred Anderson, formerly of this city. A number of friends and relatives of Mr. and Mrs. Anderson were present at their home on Sunday, when they celebrated their thirty-first wedding anniversary.

GO TO SAN FERNANDO FAIR

Mr. and Mrs. Leslie C. Denman of 327 Madison court motored to San Fernando yesterday, visiting friends in that city and also attending the San Fernando valley fair.

PRICE OF SCHOOL DESKS INCREASED THROUGH DEMAND

Only Three Dealers In L. A. and They Seem to Have Heard of Necessity

"There are only three dealers in school desks in Los Angeles and they seem to have taken advantage of the general crowded conditions of the schools and their necessity of buying new equipment at once to raise prices," remarked Richardson D. White, superintendent of city schools, this morning. He made a special trip to Los Angeles yesterday to price the desks needed immediately by the local school system and found the prices had been boosted about $2.50 per desk.

Fifty desks are needed at once and 125 in about ten days when the new bungalows will be ready. Altogether the higher prices mean an additional expense of about $437. Prices vary somewhat, depending on the exact size of the desk, but the size which was about $8.25 set up last month is now listed at $11. The cost of the new desks will be quite an item in the school budget for this term.

Desks Have Long Life

"There is nothing that we can do about the matter that I can see," declared Mr. White, rejecting the suggestion that the desks might be made in sloyd or secured elsewhere. "The life of a desk is almost indefinite providing the casting doesn't break. We have desks here in the intermediate school nine years old and almost as good as new. There are desks at the Broadway school which were transferred there from the old building, twenty years old. They have been using the same type of desk for the past twenty-five years although it seems to me that when I went to school double desks were more common."

A new type of desk is now on the market, according to Mr. White, and may supplant the present style if the price is ever reduced sufficiently. It consists of straight back oak chair, having a deep drawer for books underneath and attached to an adjustable desk surface. A few of these desks are in use at the intermediate school.

Robert W. Colburn Purchases Property, Mountain View Tract

Robert W. Colburn, assemblyman from the eightieth California legislative district who recently came to Glendale from Fallbrook to reside, has purchased a lot in the beautiful Mountain View tract between here and Burbank. He will build a seven-room chalet at once, according to W. H. Armstrong, manager of the Glendale - Burbank Realty syndicate, which is marketing the property. On Monday Mr. Armstrong also sold two business lots fronting on San Fernando Road from this popular tract.

Dr. A. D. Smith Buys A. A. Barton Home; to Open Office Here

The beautiful nine room, two story home of A. A. Barton and wife at 630 North Howard street has been sold by M. E. Plasterer of the Pearson real estate office on Brand boulevard to Dr. A. D. Smith, a newcomer from northern Iowa.

Dr. and Mrs. Smith will move into the house as soon as their furniture arrives, and the doctor expects to open an office in Glendale.

Knights of Pythias to Present 'Stag' Program

"Come and get acquainted with the liveliest bunch of Glendale boosters," suggests the publicity committee of the local lodge of the Knights of Pythias, announcing the stag party tonight at the hall, corner of Brand boulevard and Park avenue. A fine program is promised and all male citizens are welcome.

MAKE PLANS FOR BANQUET

Following a special meeting last Sunday of a number of the officers, leaders and members of the combined Glendale Hi-Y societies plans are being made for a big "get together" banquet and reorganization meeting to be held on Thursday night of this week in the social hall of the First Methodist church, corner Wilson avenue and Kenwood street. As this will be the initial gathering of the year of the various troop members and officers it is expected that a large delegation will be present.

The evening's program consists of speeches by last year's troop leaders and several of the former members, besides thorough and complete arrangements for the coming season's organization and activities. Rex Kelly, secretary of the Glendale district, Harry Marple, Ed Murphy and other local Hi-Y workers will make short talks.

RETURN HOME FROM TWO MONTH AUTO TRIP IN NORTH

Mr. and Mrs. R. P. Finley and Daughter at Home; Tell of Many Experiences

Mr. and Mrs. R. P. Finley and daughter Aneisa of 1123 East Elk avenue returned Sunday from a two months' automobile trip through the northern part of the state. Mrs. Finley states that the scenery in the northern part of California is very picturesque, but that the roads are not in very good condition.

The trip north was made by way of the coast route, through Santa Barbara, Pismo Beach, San Luis Obispo, Paso Robles, Salinas and Oakland.

After staying in the latter city for several days and visiting relatives and former schoolmates they motored to Petaluma, Occidental and Bodega.

A ten days' camping and fishing party was enjoyed in the mountains near Bodega, from which point Mr. and Mrs. Finley and daughter enjoyed many hiking trips.

Camp Amid Redwoods

From Bodega the party went to Willets and Garberville. At the latter place Mrs. Finley states that they gathered a quantity of huckleberries, which she canned.

On August 20 they reached Dyerville and camped in an immense big grove of beautiful redwoods. From that point they went to Scotia, where there are a number of sawmills, Arcata and then north to Korbell.

From the last named point they started for Willow Creek, but found the roads so very narrow that they decided to turn back.

Mr. and Mrs. Finley stopped at Ferndale, their former home, and then again to Garberville.

Many Pictures Taken

The return trip was made by way of Petaluma, Cloverdale, Modesto, Porterville and Bakersfield, arriving in Glendale late Sunday night.

Many interesting pictures were taken while on their trip through the state, which included visits to more than seventy-five families of relatives and friends.

Although the trip was a most interesting one Mr. and Mrs. Finley say that there is no place like Glendale, and that they are glad to be back.

IT'S GLENDALE DAY AT VALLEY FAIR; MANY ATTEND

Plentiful Products Pleasingly Produced; People Pridefully Present Prosperity

Hundreds of local people today are motoring to the San Fernando Valley Fair and Market, it being officially designated as Glendale day. Tonight fireworks and a society horseshow will be prime attractions for those who go from here.

According to reports from the fair city of San Fernando, the stock, agricultural and industrial exhibits are all that could be expected. There were rough spots in the program yesterday, due to the vast amount of detail work and several of the largest exhibitors being delayed, but the fair proved so much more interesting than any similar event visitors could only wonder at what Los Angeles county does not produce, rather than what it does.

Prosperity Protruding

There are porkers and peanuts, melons and mules, horses and horseradish, bathing beauties and babies, tractors and trotters, art and artichokes, corn and calliopes, and so on through the dictionary.

Yet the beautiful part of it all is the fact that everything has its place. The stock show is in one tent, the automobile exhibit is in another and the culinary and household displays have their separate departments. So it is a real pleasure to visit the San Fernando Valley Fair and Market.

More than a score of Glendale women are lending their aid in the culinary, needlework and art departments of the fair. A fast motor car leaves the Chamber of Commerce headquarters here for the fair grounds as soon as enough passengers are obtained.

Given First Prize

It was announced this morning that the committee on awards has given first prizes for landscapes and marines exhibited in the art department to the paintings by Granville Redmond, California's distinguished artist.

These paintings were placed on exhibit by Dr. C. S. Steelman of Glendale who will display them at his offices, 113 South Brand boulevard, after the close of the fair.

Today's World News In Brief

(By United Press to Glendale Evening News)

AMERICAN SHOT AND KILLED BY MEXICAN SOLDIERS

WASHINGTON, Sept. 20.—An American citizen named Carl R. Tabb was shot and killed Sunday night by Mexican soldiers in the southern oil fields near Tampico, the state department was advised.

AMERICAN BALLOONIST BELIEVED TO HAVE WON RACE

LONDON, Sept. 20.—Ralph Upson, American, piloting the balloon, "Aero Club of America," in the Gordon Bennett international cup race, landed today at Cardigan, Wales. Upson's flight was believed the longest of any of the fourteen contestants and it was possible he would be named winner of the trophy.

REDUCTION IN RATES ON VEGETABLES, BOARD ORDERS

WASHINGTON, Sept. 20.—A reduction in the rates on vegetables from the Pacific to all eastern points as far as Chicago and the Mississippi river was ordered by the interstate commerce commission. Vegetable rates in the west were increased 33 1-3 per cent in the general rate raise of August, 1920. The commission's order today cuts off half of this increase.

OILS HEAVY DURING EARLY TRADING ON EXCHANGE

NEW YORK, Sept. 20.—Oils were heavy during the early trading on the New York stock exchange today, and Mexican Petroleum led the slump. This stock made an early low at 109¾, being off just ten points from its high of the last two weeks. Asphalt sold down to 48¼. Steel common was again up during early trading but as yesterday, it failed to influence the list and independent steels were fractionally lower. Steel common was up ½ at 78⅞. American International made an early low below 30. Rails were fairly steady during the first hour. Southern Pacific gained a fraction.

'AGGRESSIVE DEFENSE' PROPOSED BY OIL STRIKERS

TAFT, Cal., Sept. 20.—War loomed in the west side oil fields today. The strikers' "law and order" committee, which is guarding all highways, railroads and ways of ingress to the oil fields, recruited new members and redoubled its vigilance, following an assertion by the newly organized Oil Producers' association that an "aggressive defense" was contemplated. "Oil operators are taking the necessary steps to secure full and complete legal rights," said Secretary C. M. Swindelle. It was considered a certainty here that an attempt to get strikebreakers past the union picket lines would result in a pitched battle. Signing of the union agreement by the Pan-American Oil company does not include the American Oilfields, Petroleum Midland Limited or the Midland Oilfield Doheny companies, according to a statement from Harry Baker, first vice president of the oil workers.

REX C. KELLY'S REPORT ON YEAR'S WORK OF Y IS MADE

Local Secretary Tells About Activities; Thanks Given Him by Committeemen

A committee of local men, including David Black, chairman; W. B. Kirk, C. W. Ingledue, T. A. Wright, J. K. Gilkerson, Ed M. Lee, James S. Thompson, W. D. Root, Floyd Mercer and Arthur C. Brown, met last night in the Y. M. C. A. office on East Broadway and heard the report of Rex C. Kelley, local Y. M. C. A. secretary, on activities promoted by Glendale district of the Los Angeles County Y. M. C. A. during the past year, ending September 1, 1921.

A. C. Griffith of Azusa, who is chairman of the Los Angeles county organization, was present and spoke of what was being done all over the county in Y. M. C. A. work.

Report Is Submitted

The members of the committee present complimented Mr. Kelley on the splendid work which had been accomplished in the Glendale district, and he, in turn, thanked them for the co-operation which had made this development possible. Mr. Kelley's report follows:

The heart of the county work is the group or club. Twenty-one of these groups have been organized from September 1, 1920, to September 1, 1921: One group of foreign boys. Two hundred and thirty-nine boys have been participants in the fourfold group program. Two volunteer leaders' clubs met regularly during the year for study and training. Three father and son banquets, attendance 540, and thirty fatherless boys provided with "dads" for the evening. One mother and daughter banquet, attendance seventy. Just 1600 boys and 430 girls were instructed in nine lectures on sex and physical fitness. Fifty-five business and professional men spoke to 717 boys. Fifteen educational trips taken to industries and manufacturing plants. Twenty-five dollars earned and given for work with foreign boys. Three hundred and fifty participated in one track meet. Also several intergroup meets. Three hundred and fifty enjoyed week-end camps and mountain hikes. Eighty-three boys attended summer camp of two weeks. Supplied funds to purchase blankets for twenty-three boys attending camp. Seventy-five boys had physical examination. One deputation team and a number were helped to make the "Great Decision" to recognize Jesus Christ as the Head Coach in the big game of life."

HARTLEY SHAW RESIGNS AS CITY ATTORNEY; COUNCIL CONSIDERING APPOINTMENT OF HIS SUCCESSOR

Official's Resignation Is Accepted By Vote Of Three To Two; Proposition To Purchase Verdugo Water Co. Meets Opposition

HARTLEY SHAW presented his written resignation as city attorney to the City Council in special session last night. It was accepted by a vote of three to two, Councilmen S. A. Davis, C. E. Kimlin and A. H. Lapham voting yes, and Mayor Spencer Robinson and Councilman Dwight Stephenson voting no. Attorney Shaw resigned as president of the board of trustees during the last administration to succeed W. E. Evans as city attorney.

No successor to Mr. Shaw was appointed at last night's meeting. The position is to be filled under the provisions of the city charter and there is a long list of candidates for the place. It is understood the council is making a thorough investigation of the qualifications of the various candidates.

The contract between P. Tomich, contractor, and municipal improvement district No. 3 for the Verdugo Woodlands sewer system, was adopted. Banks, Huntley & Co. were the successful bidders for the $50,000 bonds to make this improvement. They offered par and accrued interest.

Dr. H. R. Boyer appeared before the council and requested information regarding the proposed zoning ordinance. He was particularly interested in protecting residential sections against the encroachment of bungalow courts and apartment houses. The council informed him that this subject would be dealt with in the near future.

The Verdugo Canyon Water company's offer to sell the city the balance of stock in their concern for $21,840 was discussed and the councilmen informally expressed themselves as opposed to the proposition, it being pointed out that the municipality now owns fifty-two per cent of the stock.

ROAST VENISON IS GIVEN DIRECTORS AT C. OF C. LUNCH

Deer Meat Is Provided by A. L. Baird; List of New Members Given Out

Roast venison was the piece de resistance at the luncheon given this noon for the directors of the Glendale Chamber of Commerce at the Crown Cafe. The meat was provided by A. L. Baird of the R. L. Kent company, who recently returned from a trip with Dr. T. C. Young and party into the mountains of northern California.

After the delicious dinner, the board retired to Chamber headquarters for a short business session in which two score more secured in the membership drive were voted on the roll of the rapidly growing booster organization.

W. O. Bruess and associates, representing the Pacific Coast Tire and Rubber company, were present, the former briefly outlining his scheme for organizing a gigantic industry here.

Praise City Council

A resolution was adopted commending the City Council on the policy adopted regarding the opening of streets.

Another resolution requesting Governor William D. Stephens to call a special session of the legislature to consider the highway problems and traffic regulation was offered at the suggestion of the San Diego Chamber of Commerce. Laid over one week.

The resolution praising the City Council follows in full:

"Whereas, the City of Glendale has in the period of a few years sprung up out of barley fields and orchards to a city of 25,000 people, and

"Whereas, the growth of this city has been so rapid and has had so many additions platted and the plats filed and accepted in the past without the required vision of those passing on shch matters, and

"Whereas, there are a number of said additions of record where streets do not connect with the streets of the abutting additions and in many instances make absolutely blind streets and alleys—this condition being a detriment to the growth and progress of the city of Glendale, and

"Whereas, the honorable city council of the city of Glendale in their wise deliberations and councils have taken steps to open many of the so-called blind streets above referred to and express their intentions of prosecuting this idea until all the blind streets are opened up, permitting ingress and egress to this city;

"Now, therefore, be it resolved, that the Glendale Chamber of Commerce, through its board of directors indorse, support and stand back of the city council in this undertaking and commend them for their business judgment and courage in doing what is for the greatest good of all of Glendale's citizenship, and

"Be it further resolved, that a copy of these resolutions be spread upon the minutes of the Glendale Chamber of Commerce, a copy sent to each member of the city council and a

$100,000 WORTH OF PROPERTY SOLD IN LAST 30 DAYS

Remarkable Record Is Made by Kelly & Van Arsdol In Glendale Holdings

Glendale's prosperity wave is here to stay, according to the judgment of Kelly & Van Arsdol of this city. The publicity, wonderful location of the city itself, the climatic conditions, the altitude, the close proximity to Los Angeles, the greatest future city in America, and the honest publicity going broadcast is bringing the home buyer and the business investor to this city from far and near and from every land and every clime.

Shrewd bankers and investors who are ultra-conservative in placing their money are now pinning their faith in the future prosperity of this, the Wonder City.

The present rate of growth continued for the next four years will place Glendale above the 50,000 mark in population.

The demand for both residential and business property is growing, evidenced by the fact of the following purchases made in the last thirty days through the firm of Kelly & Van Arsdol.

Properties Purchased

Twenty acres on Vine street in Grand View section by Los Angeles Syndicate, $25,500; 14 lots on North Central and Stocker street by A. Houston Jones, $15,000.

House and lot, southeast corner of Harvard and Central, $9500.

Four houses on West Elk by Miss F. L. Reid, $10,800.

Five room house on Geneva, by Mrs. Dr. Brown, $4750.

Six room house on West Lexington, by H. Byrnes, $4500.

Four room house on North Orange, by Fred Reed, $3500.

Five room house on Oak, by L. W. Wesson, $3500.

Five room house on West Lexington, by H. D. Hall, $3500.

Four room house on East Chestnut, by H. E. Leitch, $3500.

Four room house on Viola, by Wm. Justema, $2800.

Four room house on East Chestnue, by F. R. Pierce, $3500.

Four room house on East Maple, by P. M. Bell, $3000.

Four room house on East Chestnut, by F. J. Hoffman, $3200.

One lot on East Maple to Napoleon LeBlanc, $1700.

One lot on West Maple to A. Mentier, $800.

One lot on West Doran to A. M. Blackman, $700.

This firm has added to their sales department J. L. Watson, a man of experience and judgment in the handling of real estate. Mr. Watson recently purchased a $4000 home on North Central. It is the policy of Kelly & Van Arsdol to have no one connected with the firm unless they are property owners in Glendale and vitally interested in the city's future.

Locals and Personals

A party of friends, including Miss Harrison and Mrs. Charlotte Brackett of 608 South Adams street, will enjoy a tour of inspection on the Idaho next Sunday, at which time Mr. Acer will explain to them about the sending of signals.

About twenty-five members of the J. O. C. class of the West Glendale Methodist Episcopal church were entertained at a "kid" party given Friday evening at the home of Miss Sarah Hommer of 440 Hawthorne street. The guests were dressed in children's costumes. Children's songs and games provided diversion for the evening, after which refreshments of punch, cakes and all-day suckers were served.

W. D. McRae, formerly of 638 N. Kenwood street and who a short time ago moved to New Hampshire, where he was appointed state county secretary for the Y. M. C. A. there, is quite seriously ill in a hospital at Concord, New Hampshire, following a nervous breakdown, according to advices received by Rex C. Kelley, local Y. M. C. A. secretary of Glendale. 'THE KID' RETURNS FOR TWO DAYS AT PALACE GRAND

'The Scoffer,' Produced by Allan Dwan, Also on Bill With Chaplin, Coogan

"The Scoffer," heralded as one of the season's real dramatic thunderbolts, is announced as one of two big attractions at the Palace Grand theatre for two days beginning this afternoon. It is said this is Allan Dwan's masterpiece and on this ground it is expected to cause quite a bit of excitement.

Charlie Chaplin as the foster father to a two weeks' old baby! It took the comedian himself to imagine playing such a role and from it he wrote one of the most ludicrous and funniest comedies which has ever been made for the screen. It is entitled "The Kid," and under the designation First National's six reels of joy, will be the attraction for the second time on the mid-week bill.

Kinograms complete the double bill which should have a great appeal for Glendale people, for "The Kid" is intimately known by hundreds here. Jackie Coogan and his mother are almost residents of the Glendale Sanitarium and Hospital, they have been there so often recently.

LOS ANGELES FRIENDS HERE

Mr. and Mrs. T. Gilliland, who have recently moved into their home on Virginia court, were hosts to a party of Los Angeles friends during the past week-end. Mr. and Mrs. Gilliland are newcomers in Glendale, having arrived from the east last month.

B. F. MORGAN SECURES LOT

B. F. Morgan of this city has recently purchased a large lot on Garfield avenue, just east of Brand boulevard, and is planning on erecting a modern California bungalow on the site in the near future.

LADIES

An appeal has been made to the women of Glendale and members of the Tuesday Afternoon club in particular to furnish home-made pies for the T. A. C. booth at the San Fernando Valley fair, which is in charge of Mrs. A. H. Montgomery. Proceeds of booth are to be used towards the club house fund. Battery Men Meet and Hear Problems Discussed, Solved

Problems of interest to automobile owners and the operators of battery service stations were discussed last night at the regular meeting of the local branch of the battery craft section of the Southern California Auto Trades Association.

Besides representatives from Pasadena, Alhambra and other nearby towns the meeting was attended by the following Glendale dealers: Fred S. Hill, Joseph Psenner, R. F. Doll, H. M. Parker, E. W. Cizek and H. M. Kuhn. They agreed that miles instead of length of service in months should be the basis for estimating the value of an automobile storage battery.

Henry M. Kuhn, of the Willard Service Station, was selected as a delegate to a convention to be held in San Diego next month.

Lowe fined them $10 each. A further investigation is being made by the police, it being stated that the theft occurred following a gay party while Mr. and Mrs. Kyncy were away.

BUYS LOT ON LEXINGTON

Allen O. Martin, Glendale's new chief of police, has purchased a lot on West Lexington Drive near Chester Place, and will build a house thereon immediately. He will move here from Pasadena.

BLYTHE FERRY NOW OPEN

M. B. Towman, local manager of the Southern California Auto club, announces that the Blythe ferry between Los Angeles and Phoenix is now open. The Santa Susanna pass is again passable, also.

The most nutritious root crop, after the potato, is the beet, which contains 12 per cent sugar.

Southern Glendale Stirred Result of Big Realty Story

Southern Glendale is attracting considerable attention today as the result of the story printed in The Glendale Evening News last night about the firm of Fenner & Gilman planning to spend $750,000 at once in the development of residential property.

To reveal the ramifications of the W. A. Heitman company's development program in this same section of Glendale would be immature, but the boom is only in the bud. For those who have their ears close to the ground and their eyes open to the opportunities, they will heed the advice of the four southern Glendale business men who today call attention to the forward movement in southern Glendale property.

George E. Schram, realtor at 1500 South San Fernando Road, states that the greatest necessity now is more business buildings. Several are in course of construction, but they are far too few. Rapid residential development promised by the large Los Angeles realtors will force rentals to a very profitable figure, it is believed.

Campaign on School Bonds to Be Planned on Wednesday Night

A campaign to acquaint the voters of Glendale with the crowded condition of the city school system and the imperative necessity of passing the bond issue for $260,000 on October will be outlined Wednesday night at the intermediate school.

At this time Richardson D. White, city school superintendent, will confer with the publicity committee appointed by the citizens' committee of last spring which made detailed plans for the postponed school election.

The members of this publicity committee are: William C. Wattles, 1218 South Glendale avenue; H. V. Henry, 327 Patterson avenue, and Oliver O. Clark, 346 North Louise street.

New York Giants to Order World Series Uniforms; It's Over

NEW YORK, Sept. 20.—No one can blame the New York Giants for ordering world series uniforms today. The Giants practically have cinched the National league pennant.

Ten games remain in the New York schedule and the Giants have a lead of four and one-half games. If the New Yorkers only split even, the Pirates will have to win 12 out of their thirteen remaining games to cop the pennant. Figuring the way the Giants are going and looking at the barrier of five games the Pirates must play against the Cardinals in St. Louis, the race looks finished.

The rise of the Giants in the last three weeks has been almost as spectacular as the mid-season dash of the Boston Braves in 1914.

Three weeks ago the Giants, lagging behind by seven and one-half games were counted out of the race.

Since then they have won twenty out of twenty-four games and have ten in a row to their credit.

The American League race is a question of a fight and the Cleveland Indians are known fighters. Only a never-die spirit has the Indians two points out of first place. The Yanks, if they had shown the spirit of the Cleveland tribe ought to be out in front by ten games. The Yanks are going at top speed with all their talent in the game. The battle is so close that the coming series between the two contenders alone may decide the winner.

Southern Glendale Improvement Club to Meet Thursday Night

A meeting of the Southern Glendale Improvement club, of which Stuart Street is president, is scheduled to take place Thursday night at the branch library building on South Brand boulevard.

It is anticipated that a report will be heard from the committee which interviewed the board of city school trustees last Thursday night relative to an appropriation of the proposed $260,000 bond issue being set aside for the schools of the southern section of the city.

Cerritos School Is Well Protected, Says Superintendent White

"We haven't any two-story school building in Glendale that is any better protected from fire than the Cerritos school," remarked Richardson D. White, city superintendent, this morning.

"We had the question of fire risk there up several years ago and at that time the board placed a fire escape on the east side of the building and then connected all the rooms on the north side of the second floor so that the children could get to it without going into the hall.

"On the south side of the structure are two shutes from the second story. The first floor is close enough to the ground for the pupils to jump out."

NEW INDUSTRY LOCATES

A new industry has located in the old Bijou theatre building in southern Glendale. Laboratories and furniture factories are finding this section of the city ideal for their purposes.

R. A. NEEL FAMILY MOVES

Mr. and Mrs. R. A. Neel and two children of 1337 South San Fernando Road moved from Glendale the first of the week to permanently locate in Santa Ana where Mr. Neel is employed by a railroad.

Harry Marple Will Visit Lancaster to Attend C. E. Rally

Harry Marple of 202 West Park avenue is one of four delegates from the Los Angeles Christian Endeavor society who will travel to Lancaster next Sunday to attend the annual rally of the Yucaipa Valley Christian Endeavorers. Mr. Marple is the Tenth Legion Superintendent of the Los Angeles county Christian Endeavor society.

The purpose of the southern representatives in attending the rally will be that of interesting the valley societies in entering into a "four-cornered contest," which is a method of competition for various groups of similar organizations, the purpose of which is to interest and unite the young people of the church in actual church work. In the novel contest the issue is divided into four main points, each of which is in turn divided into another quartette of stipulations, as follows. 1. Graded Christian Endeavor (classification of different societies in one congregation); 2. Loyalty to the church; 3. Religion in the home; 4. Personal stewardship.

Lots on Vassar Street Having Brisk Demand

Of the many streets in the southern section of the city which are taking part in Glendale's remarkable building campaign Vassar street was probably the most active thoroughfare in point of transactions during the past week. Four lots were sold during that period to as many Los Angeles residents, and each one is planning to build his future permanent home here within the next few weeks.

The quartette consists of Ray Brown, Mrs. Kate R. Gleason, M. H. Davey and E. V. Davey.

Will Hayward Secured Two Bucks on Outing

A number of the local friends of Will Hayward of Gardena avenue are enjoying venison as a daily delicacy as the result of his recent hunting trip to the northern part of the state. Mr. Hayward returned to Glendale Friday with the limit of two bucks to his credit.

GUS ROSENBERGER IS BACK

Gustav Rosenberger of 1424 South Glendale avenue returned to his home last Friday from Detroit, Mich., where he spent the past six weeks on a combined business and pleasure trip. While on the vacation Mr. Rosenberg visited many old friends and relatives, the automobile metropolis being his former home.

"Detroit shows signs of prosperity, but give me Glendale," remarked Mr. Rosenberger in discussing the trip.

SURPRISE PARTY IS GIVEN

Mrs. Vern Ohmit of 1251 South Maryland avenue entertained with a surprise party in celebration of the birthday anniversary of her mother, Mrs. Rush, at her home Saturday night. The guests were twelve former Wisconsin friends, now residents of Los Angeles. During the evening games and dancing were served and refreshments were served.

of the Belmont street side of the building. This will be well stocked with medical text books and other valuable books of reference.

Between Dr. Harrower's office and the main lobby is a suite of offices to be occupied by James Howarth, general manager; C. L. Cyphers, assistant general manager, and their secretary. Adjoining the library on the south side of the building is the editorial room, where the translations will be made and data compiled under the direction of Henry Brockway as part of Dr. Harrower's service to his clientele. Alongside of this is a specially designed consultation room.

Vaults for Valuable Lists

To the west of the entrance will be the quarters occupied by W. H. Block who has charge of the firm's correspondence. Adjoining this office is a large room to be occupied by the typists and stenographers, of which there are a number. The addressograph and mailing department will be housed in especially arranged quarters containing a vault to protect the 150,000 address stencils of all the doctors in the United States from possible damage. The southwest corner of the first floor, which is near the manufacturing laboratory, will contain the shipping room.

The second floor will contain a lecture hall across the east end of the building and a large room for the bookkeeping department across the west end. One of the features of the assembly room will be a movable platform which can be rolled into any part of the hall desired. Movable doors will make it possible to increase the size of this room by making the lunch and rest room on the south side and the copist's room on the north side a part of it.

Details Cared For Here

The rest room is being equipped with stoves for the convenience of employees who might wish to prepare something warm for lunch or to serve refreshments at a social. The second floor, also, contains two research laboratories, where experimental work will be performed; a large conference room, and an office for the credit manager.

The new building has several important features among which may be mentioned its hardwood floors throughout, which makes it easier to keep the rooms clean, and its many windows, which makes each room light, airy and cheerful. Dr. Harrower is positive that his many assistants will find their new quarters an extremely desirable place in which to work. He is looking forward to the formal opening with great anticipation.

Glendale Press Is Now Controlled by Outside Interests

Controlling interest in The Glendale Daily Press, established last March by the Glendale Weekly Press, has been secured by F. H. Kellogg, business manager of the Los Angeles Evening Express, it became known today. It is stated that Mr. Kellogg will insert The Express in copies of The Press distributed here.

Mr. Kellogg is also head of the Pasadena Post and, it is understood, he is planning to establish a daily in Hollywood for circulation with his Los Angeles paper, and also in Santa Ana. The circulation arrangement is now effective in Anaheim. Recently he announced he intended to invade the San Fernando field. It is also reported he is investigating the Long Beach territory with a view of establishing a daily for circulation with his Los Angeles paper.

Joseph H. Foltz, one of the original owners of The Press, left the organization shortly after the daily was issued. With the passing of The Daily Press into outside control, it is reported today that other changes will be made in the present personnel of the organization.

LOCAL BRANCH FOR WAR MOTHERS TO BE ORGANIZED

Meeting Will Be Held Next Thursday In Residence of Mrs. Samuel Dick

A Glendale branch of the American War Mothers' association will be organized Thursday at 2 o'clock at the home of Mrs. Samuel Dick, 309 Louise street, known as "Dixie." Mrs. Ed W. Hopkins of the Los Angeles association will be in this city to assist in the organization.

The American War Mothers' association is a national organization, affiliated with the International Council of Women, and will hold a national convention in Sacramento September 28 and 29. This convention will be attended by women from all parts of United States.

To Assist Service Men

The object stated by the promoters is to organize the war mothers for national benefit and to uphold the principles of justice, freedom and democracy.

Their immediate aim is to assist the former service men, particularly the disabled and to perpetuate the memory of those who lost their lives for their country. Already a great deal of aid has been extended to the patients at the Letterman General Hospital in San Francisco as well as to soldiers in private hospitals in and near Los Angeles.

A fund is being established to aid the children of former service men and women. Every woman whose son or daughter saw service in the late war is eligible for membership.

Frederick Butts Wins Unit Like One He Sells

Frederick Butts, son of H. M. Butts of the Monarch Auto Supply company, attended the Essex show at the Glendale Hudson Motors agency, 230 North Brand boulevard, last Saturday night. He was the winner of an emergency unit for gasoline, oil and water—similar to that which he sells at the Monarch establishment.

Talk about being tickled—why, he'll spoil his luck if he don't look out. Of course, he accepted the gift and he isn't going to sell it either.

CLOWN ACT STARS VAUDEVILLE BILL AT GLENDALE

Four Other Headliners and Thrill Film, 'The Fighter,' With Conway Tearle

Combining vaudeville and a feature film of merit, Manager Howe today offers the public one of the best bills ever presented at The Glendale Theatre. The Fairfield Musical Clowns who headline the variety are known from coast to coast for their laughable melody. Clarence Gibbs, comedian, another headliner, and three other acts.

The feature film, "The Fighter," was written by Albert Payson Terhune and is said to be among the best photoplays in which Conway Tearle has been starred. Lovely Winifred Westover plays the leading feminine role and direction was by Henry Kolker.

Gets on Top of Heap

The story has to do with a man who, by dint of his inherent fighting disposition, has won his way to the top of the heap in the commercial world. He is a man's man throughout and has little time or thought for the frivolities of life. But his ward, Dey Shevlin (Miss Westover), has just reached the budding stage and, as with most debutantes, she has an eye open for high social opportunities. Her guardian, despite his lack of interest in things socially, determines that his ward shall have her wish and it is then that The Fighter finds himself confronted with the most difficult struggle of his fighting career. His enemies find a new avenue of attack that heretofore had remained closed to them and the battle that ensues makes for one of the most engrossing bits of screen fiction ever shown.

New Thought Center Discusses Plans for Building Own Home

The large number of people who have been attending the lectures given by Dr. Frank L. Riley at the New Thought Center at the Masonic temple have been increasing to such an extent that the attendance last Sunday caused the board of directors to discuss the possibility of the laying of plans for the erection of a New Thought Center headquarters.

The subject of Dr. Riley's lecture last Sunday was "Where Are the Dead?" The lecturer stated that sleep and death are identical, with the exception that the "silver cord," in the case of sleep, is not broken. In the case of sleep, he stated, the real self or the soul or spirit leaves the gross physical body and visits persons and places, usually understood as dreams, but as the "silver cord" is not broken it returns to its abode, the body, again.

The subject of next Sunday's lecture will be "The Power of Harmony." Dr. Frank L. Riley, who is not alone an M. D., a metaphysician, a psychologist and a lecturer of note has been attracting considerable attention by his lectures not only in Glendale, but in Hollywood and Los Angeles.

Little Dancing Girl's Hands Painfully Cut by Glass In Door

Miss Carolyn Ayers, daughter of Mr. and Mrs. Frank C. Ayers of 315 North Orange street was the victim of an unusual little accident on Saturday afternoon. She attended Miss Edith Lindsay's dancing class and was leaving the room with a companion, whom she thought opened the door. Miss Carolyn turned quickly, striking the glass portion of the door so sharply that her left hand went through, shattering the glass and cutting her hand severely. The wounds are not considered serious, but they are very painful.

James Andrews Byrnes of New York Secured as Glendale Organist

James Andrews Byrnes of New York City has been secured by Manager William A. Howe of the Glendale Theatre as organist, beginning September 28. Mr. Byrnes comes here with the highest of recommendations, but he wishes his work to speak for itself. Harry Gerard, known as the singing organist, temporarily is presiding at the console of the great Estes organ. Mr. Gerard is a film celebrity who now makes music as an avocation.

F. C. BROWN RECUPERATES

As he alighted from a street car, he was struck by another and suffered a double fracture of the right collarbone. He will be unable to use his right arm for several weeks.
